# GENERAL PARKING REGULATIONS

## Permits

All motor vehicles parked on campus, except patient/visitor vehicles, must have a valid permit, purchase pay-to-park-time, or have authorization from UNMC Parking Services. The parker acknowledges and accepts the practices and policies of UNMC and its parking rules and regulations. Parking on campus is a privilege, not a right. Failure to abide by these parking regulations may result in revocation of parking privileges on campus. Due to limited parking, some lots are oversold by varying degrees to maximize space utilization. Parking space is not guaranteed and on occasion may not be available. If no parking space is available in your assigned lot, park in the nearest employee parking lot and call for parking authorization at 402-559-8580.

## How to Park

The preferred method of parking is with the front end of the vehicle pointed into the parking stall. All vehicles that park in a parking garage or in a diagonal space on campus must park with the front end of the vehicle pointed into the parking stall. In some cases, safety may indicate that vehicles be parked otherwise. Compact car stalls are for compact cars only. No trucks, SUVs or vans can park in these stalls.

## Designated Parking Areas

Vehicles may be parked only in the designated parking area covered by the permit displayed. If a permit holder is unable to comply, they must notify UNMC Parking Services for an authorization at 402-559-8580 immediately.

Employees with a valid parking permit can park in any employee lots after 5:00 p.m. to 8:00 a.m., Monday – Friday and on holidays with a valid permit properly displayed. The parking holidays are:

New Year's Day .....	January 1
Memorial Day .....	Last Monday in May
Independence Day .....	July 4
Labor Day.....	First Monday in September
Thanksgiving Day.....	Fourth Thursday in November
Christmas Day .....	December 25

## Closed Areas

UNMC and Nebraska Medicine reserves the right to close any campus parking areas, temporarily or permanently. These areas may be closed at various times because of events, campus activities, repairs, construction projects etc.

## **No Parking Zones**

The absence parking sign does not mean parking is allowed. Vehicles shall not park at any time in the following areas: campus streets/drives or within an intersection, on a crosswalk, sidewalk, or on the lawn or other landscaping, in any area designated as a fire lane, along red or yellow painted curbs, hash-marked areas, or in any area not designated as a parking area.

## **Reserved Parking**

Reserved parking includes any stalls, or lots reserved for persons, departments, or vehicles. Unauthorized vehicles found in reserved spaces will be subject to a citation and towing. This includes ADA areas, compact spaces, EV charging spaces, loading zones, motorcycle areas, pay-to-park spaces, service vehicle spaces, and visitor spaces. Reserved spaces are restricted to authorized vehicles at all times, 24/7/365.

## **Off-Site Employees**

Off-site employees must park in daily rate parking areas if they are on campus in a professional/learning capacity. Daily rate parkers must download the Park Omaha App on their smartphone. UNMC's daily rate zone is 222, the fee is \$3 to park for 20 hours and must be paid within 30 minutes after parking on campus. Patient/visitors parking areas are not available for temporary parking.

## **Special Campus Events**

Temporary parking assignments for special events or campus activities are assigned by UNMC Parking Services. Please call 402-559-8580 for more information.

## **Service, State, or Federal Vehicles**

Service, state, or federal vehicles are subject to the same rules and regulations governing privately owned vehicles/motorcycles except they may park in the areas designated for service vehicles or in spaces leased by departments.

## **Motorcycle**

If you have a valid permit, you may get your motorcycle authorized to park throughout the campus. You may park it in your designated lot, or one of the two motorcycle areas on campus. They are located in Lot 2 in the northwest and southwest corners on each level and between Lots 1A and 1C.

## **Loading Zones**

Employees or students that need to use loading zones or other parking areas for loading or unloading purposes must call UNMC Parking Services for authorization at 402-559-8580. Loading zones are not for parking, but for loading and unloading of items from a vehicle. The maximum time allowed for this purpose is 1 hour or as designated on posted signs.

Freight loading zones are reserved for the exclusive use of commercial or company owned vehicles during loading or unloading. Other vehicles stopping in these zones for loading or unloading purposes may not remain longer than 5 minutes, or as designated on posted signs.

Passenger loading zones are reserved for the exclusive use of vehicles during the loading or unloading of passengers. Vehicles in passenger loading zones should not be left unattended, or parked with a vehicle operator, for longer than 15 minutes.

### **Day Parking**

Employees with a valid permit working any time between the hours of 6:00 a.m. and 8:00 p.m. (day shift), Monday – Friday, may park in their assigned parking lot only.

### **Overnight Parking**

Employees with a valid permit working overnights (arriving after 5:00 p.m. and leaving before 8:00 a.m.), may park in any employee parking lot. Employees may not park in any patient/visitor lot or area and may not park in “Reserved” parking stalls in any lot.

### **Weekend/Holiday Parking**

Employees with a valid permit working on weekends (Saturday – Sunday), or on a holiday in which all clinics are closed, may park in any employee parking lot. Employees may not park in any patient/visitor lot or area and may not park in “Reserved” parking stalls in any lot.

### **Continuous Parking in Excess of 48 Hours**

Only company-owned vehicles may be parked continuously in one place for a period in excess of 48-hours on campus property. Any other vehicle parked in violation of this regulation is subject to the vehicle being removed from the campus and stored at the expense of either or both the owner and the operator.

Parking over 48-hours is not authorized, and a citation may be issued for any vehicle parked continuously in one place for more than 48-hours on university property. Resident permits are exempt from this rule, if parked in permit-assigned resident lots with a valid resident permit. Vehicles that appear to be abandoned will be towed. Employees, visitors, or students engaged in university business or who find it necessary to park on campus more than 48-hours must obtain authorization from UNMC Parking Services and will be assigned to a specific area.

UNMC parking facilities are not to be used as storage facilities for boats, campers, trailers, motorcycles, or any other vehicles unless authorized by UNMC Parking Services.

## **Vehicle Accident Procedures**

Vehicle accidents on the UNMC campus should be reported to Public Safety immediately (Emergencies 402-559-5555 or Dispatch Non-Emergency 402-559-5111). Report the accident location to Public Safety and remain at the scene until Public Safety arrives.

## PARKING AUTHORIZATION

Parking authorization can be obtained by calling 402-559-8580. Failure to obtain authorization may result in a parking citation. To ensure that a citation will not be issued, the following information is required for authorization: vehicle make, vehicle model, vehicle color and license plate number.

Individuals parking a vehicle without a valid permit displayed (i.e., rental) or in an area other than the assigned lot are required to call UNMC Parking Services for authorization at 402-559-8580.

### **Health Care, Visitor, and Off-Duty**

Employees, students, faculty members, tenants or individuals (i.e. spouse, relative, or friend) driving a vehicle registered to an employee, or at an employee's address/insured by employee, student, faculty member or tenant coming to campus for a health care or other off-duty visit may park in a patient/visitor lot by notifying UNMC Parking Services for authorization. Employees, students, faculty members and tenants are also required to obtain authorization to park other vehicles (not registered to the employee, student, faculty member, or tenant) in a patient/visitor area for health care or off-duty visits.

Any person eligible to obtain a permit for campus parking shall complete a standard parking permit application.

A valid parking permit consists of one movable permit or temporary permit. The permit must be affixed on the inside of the front windshield, lower left-hand corner (driver's side). Temporary permits must be displayed on the dash of the vehicle. Any variation from this is a violation. All previous and/or expired permits should be removed from the vehicle. Permits must be visible at all times while on campus.

## **Reporting Lost or Stolen Permit**

If the employee permit is lost or stolen, it must be reported to UNMC Parking Services during business hours. A replacement permit may be purchased for \$25. If the original permit is recovered within 14 days of replacement purchase, the replacement fee will be refunded. If another vehicle is found displaying a permit that was reported lost or stolen, the vehicle will be immediately towed.

## **Returning on-Campus**

Employees returning to work on campus, who have been working off site, will be eligible for reinstatement to their previous parking assignment, subject to availability. Space will be lost after 30 days.

After six (6) months of temporary medical parking, the employee/student must obtain a state issued handicap permit if medical parking is still needed. Assignments are subject to space availability.

## **Permanent Medical**

Any employee requesting a special parking assignment on a permanent basis due to a medical disability must qualify for and obtain a state issued ADA permit. All requests will be considered after submission of required documentation. Medical parking assignments are intended to reasonably accommodate the individual based on the individual's needs. # TRAFFIC REGULATIONS/CITATIONS

## **Traffic Regulations**

Employees, Students, Contractors/Vendors, and Visitors are expected to know and comply with the State of Nebraska Motor Vehicle Laws, Traffic Ordinances of the City of Omaha, UNMC Traffic and Parking Regulations. Pedestrians shall be given the right-of-way at all crosswalks or when in compliance with existing traffic controls. Driving motor vehicles on campus walks, lawns, or areas not specifically designated as a roadway is prohibited. Operators of motor vehicles shall comply with all traffic signs, e.g., Yield, Stop, etc., or the direction of a Public Safety and Police Officer. Operating a motor vehicle without due caution or in a manner to endanger or likely to endanger any person or property is prohibited and could result in a citation for reckless driving.

## **Issuance of Citations**

A violation of the parking use agreement and the parking regulations will result in the issuance of a citation. Failure to read or understand the regulations does not remove responsibility for any citations or incurred fines. Citations are issued in accordance with parking regulations. Parking in an unauthorized space or lot without permission is an example of a violation which would cause a citation to be issued.

## **Citation Responsibility**

The permit holder, the vehicle operator, and/or the registered owner, all may be held responsible for vehicles which violate the campus parking regulations. Failure to be informed of overdue citations (other than the original citation issued) does not relieve the obligation for payment for past citations.

## **Citation Clearance**

Payment of the fine will clear the citation. Fines are payable to UNMC and may be paid at UNMC Parking Services or by mail addressed to UNMC Parking Services, 985001 Nebraska Medical Center, Omaha NE 68198-5001 or [unmcparking.t2hosted.com](http://unmcparking.t2hosted.com). Fine schedules are printed on citations and are available upon request.

**Citations not paid within 14 calendar days will have the penalty doubled and are considered delinquent.**

Permits may only be renewed and/or canceled after all citations have been cleared.

## **Nuisance Violator**

Any individual may be deemed a nuisance violator if the individual abuses parking privileges or fails to satisfy payment for parking permits or fines. Once an individual's name appears on the nuisance violator list, any vehicle owned and/or operated by that individual may be automatically towed if in violation. Names of individuals appearing on the list will be removed after a one (1) year period if no further parking violations occur during that time. Individuals removed from the nuisance violator list are subject to being placed on the list again if they abuse parking privileges.

## **Booting Process**

Any individual deemed a nuisance violator, who has three (3) delinquent citations, and/or owes \$100 or more in outstanding parking fines constitutes non-compliance with parking regulations and will be placed on the immobilization list. Once an individual's name appears on the list, any vehicle owned and/or operated by that individual may be automatically immobilized at any time until all outstanding citations and fees are cleared.

## **Towing Process**

UNMC Parking Services may remove from campus property any vehicle that is improperly parked and/or deemed a nuisance violator. Any cost of towing is the responsibility of the permit holder or owner.

## **Loss of Parking Privileges**

- Use of counterfeit permit
- Use of an unauthorized or stolen permit
- Falsifying information on a parking permit application
- Obtaining additional permits under false pretenses
- Continuous abuse of parking privileges
- Parking more than one (1) vehicle per permit holder in a designated lot at any given time
